

Year 4 Multiplication Tables Check Results

Name: Edward White

Class teacher: Miss Frost

What is the multiplication tables check?

The multiplication tables check is a statutory requirement and takes place in the summer term when children are in Year 4. The purpose of the check is to determine whether Edward can fluently recall his times tables up to 12. It will also help us to identify if he may need additional support.

How does the check work?

The multiplication tables check is an on-screen check consisting of 25 times table questions.

- Edward was given 25 on-screen times table questions.
- Edward had 6 seconds to answer each question.
- The check took around 5 minutes to complete.
- There is no pass mark for the check.

Edward's score

25 out of 25
